Our December 18th Show & Christmas Party featuring The Friendly Neighborhood Big Band

by Rhonda Cardinal

Featured Band:

The Friendly Neighborhood Big Band

The Friendly Neighborhood Big Band is a 16-member traveling big band formed in March, 2019. The formation of the band was the brain child of Mitch Latting, David Johns, and Danny Beher. The group is directed by Mitch Latting. Members of the band reside in San Luis Obispo and Santa Barbara counties. We have been providing audiences with performances of great jazz standards as well as original jazz tunes. The band rehearses every week, even during the pandemic while observing social distancing. Each time we get together for "rehearsals," we do a lot of sight reading of music. Sight reading is the practice of reading music that we have not played before or for some time. The band members have years of experience playing with various groups and are delighted to be affiliated with the FNBB.

Opening Act: Three Martini Lunch

Three Martini Lunch has been entertaining the Central Coast since 2002.

This Classic Jazz Trio performs the music of the Great American Songbook. Featuring the songs of Sinatra, Dean Martin, Tony Bennett and Instrumental Pop and Movie Themes of the 1950's & 60's. Three Martini Lunch has been featured in SLO Life Magazine. Three Martini Lunch has also appeared in one of SLO Life Magazine's Television Commercials. They were the House Band at The Lido Restaurant and Lounge at Dolphin Bay Resort & Spa, in Shell Beach, California from 2007 to 2015.

They enjoyed a 14th year residency at the Sea Venture Resort and Restaurant located in Pismo Beach, California. Most recently they were the opening act for Frankie Valli & the Four Seasons at The California Midstate Fair. Three Martini Lunch is also a "Loved Vendor" of SLO Wedding Planners.

President's Message

It has been 3 years since we hosted a live Jazz Jubilee by the Sea, but not for lack of trying or planning. In 2020, around July, we

decided that we would not be able to hold a live festival and needed to have a virtual festival instead. We executed this event with great success and felt confident that we would be able to hold an in-person event the following year. We started planning in early 2021, continuing all the way through August before it became apparent that we would not be able to pull it off. Instead, we hosted the biggest backyard Livestreamed show that we had ever thrown- The Creole Syncopators followed by Tom Rigney and Flambeau. It was a huge success by backyard standards, but still not a festival.

In order to have an event, you must first have venues, and it was a good six months into 2022 before we were assured that we would be able to secure the venues we needed to host an event of this size. We have been wanting to try moving the date to January for quite some time, and this was our golden opportunity. We were also hoping to finally get past the pandemic and all of its associated anxiety and restrictions.

So here we are in January of 2023. As it happens, we are hosting this event during Martin Luther King weekend and to that end, are trying to add a dimension to our line-up that will honor the spirit of this holiday.

Speaking of honoring, it is our pleasure this year to highlight Mr. Willard Blackwell, leader and founder of the great band Gator Nation, with our cover painting by the supremely talented Priscilla Wilson. Mr. Blackwell and his band have brought a lot of joy to this and other festivals throughout the west, and we are pleased to have him perform and feature him on our cover.

Our goal at Jazz Jubilee this year and every year is to throw a huge party and invite everyone to it. You are all guests at our party! We want every set to knock your socks off. We are here to show you a good time and we want to have a good time too!

So let's do it! Let the party begin.

Upcoming BSR Sunday Events

January 12-15 - Jazz Jubilee By the Sea
February 26th - Cell Block 7 and the Cuesta College Jazz Band.

In the Wings

We have some great shows coming up for you in December and February. January will be Jazz Jubilee by the Sea.

In February, we will feature Cell Block 7 and the Cuesta College Jazz Band.

Cell Block 7 - Best watch out...the boys have escaped again. Disguised as musicians and armed with a weird collection of antique musical instruments, our favorite cons are on the loose again!

While these "musical delinquents" continue to evade the authorities, we hope you'll be captured by their unique brand of hot jazz, novelty numbers and general disregard of acceptable behavior.

Cell Block 7 has been performing and entertaining folks throughout the Western US and beyond for over 30 years. Noted for their virtuosity and variety, they are comfortable in just about any setting - including the local lock-up! If you want high energy music that will please young and old alike, Cell Block 7 is the band of choice!

Cuesta College Jazz Band This will be our first school band appearance in 2023. We hope to feature school bands from February through May. The Cuesta College jazz ensemble is the premier jazz group at Cuesta featuring a full big band, students of all ages playing exciting music from classics to funk, Count Basie to "bossas." This group has long been known for its great music, advocacy for jazz and presence in the community. The February show will feature some swing classics and a sprinkling of modern big band sounds. We will be passing that hat, as is our tradition, so please be ready for it!

Christmas Party in December:

We will be having our 11th annual Holiday Party on December 18th at the Vet's Hall.

The Friendly Neighborhood Big Band will be our featured band. Admission will be free for members this month and we will not charge for the food. Non-members will pay \$10 for admittance. Our meal will be prepared by Living Life Catering. The menu is on page 2. Please feel free to bring something to add to the festivities, a tasty appetizer or a mouth-watering desert, with individual wrappings or servings if possible. We ask for a \$5.00 contribution if you do not bring anything. Please bring disposable serving dishes; no one will be washing any dishes after our feast. The Sunday session starts at 11:00 with the jam session as it always does. Appetizers will be available at approximately

11:30, lunch at 1:00. We will have a champagne toast at approximately 2:00; one glass of complimentary champagne will be provided. This is a flagship event for our club, and we encourage everyone to attend.

Please call Rhonda Cardinal at (805) 937 8402 or e-mail her at jwcardinal@msn.com if you wish to attend. We would like to get a headcount for our caterer. Thanks.

**Shuttle Bus Information
 Jazz Jubilee**

Free shuttle bus transportation is available for all badge identified attendees, with four buses operating on Friday and Saturday and three buses on Sunday.

Shuttle buses will be parked at the Grover Beach Community Center, the Ramona Garden Park Center, the Blast and Brew Party Room, and the Pismo Beach Veteran’s Hall by 10:15 on Friday and 9:30 am. on Saturday and Sunday. The Skyroom at the Edgewater will be serviced by the Veteran’s Hall bus.

We recommend that attendees drive to the three venues with the largest parking lots: the Pismo Vet’s Hall, The Grover Beach Community Center or the Ramona Garden Park Facility for event parking. Auxiliary parking will be available at an additional lot near the Grover Beach Community Center. See your program map to guide you to the venue locations. Parking is available at the Blast and Brew Party room but can be impacted by the restaurant operations upstairs. Parking at the fifth venue, the Edgewater Hotel, is also limited due to its proximity to the beach, weather dependent.

On Saturday night only, the Veteran’s Hall/ Edgewater bus will be able to drop you off at Puffer’s of Pismo for their special Saturday night Jubilee show and will pick you up after the show.

Feel free to drive to your first-choice event venue. Or drive to any venue location and, after parking, board one of the four buses departing in a route for all other venues by approximately 10:15 am on Friday and 9:30 a.m. on Saturday and Sunday. You can park at any venue and get to your first venue choice in time to hear great jazz music by the start of the first set!

Morning hotel pick-ups will not be routinely offered this year without prior arrangements. We are trying to make the best use of our limited resources. In any case, all Jubilee buses are equipped with wheelchair lifts. Reservations for hotel pick-ups for special needs attendees or those without other ground transportation must be made with a pre-arranged phone call. These pick-ups should be within the perimeter of the festival venues (Pismo Beach and Grover Beach). If you wish to travel outside the festival area, a taxi, Uber or Lyft would be more appropriate unless you have special needs.

If you know that you will need a hotel or campground pick-up upon receipt of this mailer, please feel free to make arrangements now by calling (805) 878-3616. You may also make arrangements during the festival by calling the above number between 7:30-8:00 am on Friday and Saturday. If a hotel pick-up is needed on Sunday, arrangements must be made by 5:00 pm Saturday night. Timing for hotel pick-ups will be established during the phone conversation.

After each set is over just board a shuttle bus to change venues. Each bus will leave within ten minutes after the music ends, unless the bus fills up sooner. In that case the bus will depart and you can board the next arriving bus, which will arrive in just a few minutes. All buses will rotate clockwise around the venue circuit.

Bus stop locations are marked with signs at each music venue.

Three shuttle buses will be available on Sunday, with one bus continuing to be shared between the Veteran’s Hall and the Edgewater and one bus shared between the Grover Beach Community Center and the Ramona Garden Park Center. Attendees waiting for a bus at the Ramona Garden Park Center on Sunday will just have a minute or two longer wait for the bus arrival.

Pismo Beach is a tourist destination and traffic can be congested. Our shuttle buses may get you to a venue faster than you can drive and park your own car, with less stress, and drop you off closest to the entrance door to each venue! Enjoy the ride!

Shuttle bus questions? Call (805) 878-3616 upon receipt of this letter and/or during the festival. Please note: It is approximately 3 miles from the Pismo venues to the Grover Beach venues, all on surface streets.

Vocé

Brass Nickels

Wonderful November Session

by Shonda Croly

On November 20th we gathered at the Vets Hall for our monthly jazz infusion. It was a week earlier than normal due to the Thanksgiving holiday. The opening band was Vocé, from Cuesta College. They sounded amazing even though several of the male voices were out sick. There were 9 singers on the stage, a drummer, keyboard and guitar player. John Knutson the leader was on the keyboard and singing. The set started with, "No Strings." "Amazing Grace," really showed off their gifted voices. Our dancers were gliding across the floor to, "Easy Street," "My Funny Valentine," and "Fly Me to the Moon." Vocé has Christmas concert at Cuesta College on Friday December 16th at 7:30 PM. They gave us a taste with, "We Three Kings," and "Silver Bells." Concert tickets are available at <https://cuesta.universitytickets.com/?cid=167> for \$15. The set was finished off with, "Somewhere Over the Rainbow," "Crazy," and "Do You Know What I Want." We heard so many great comments about the choir and Russ Wright made sure the hat was

passed collecting \$225 for the choir.

Brass Nickels Jazz Band was our headliner, all faces we know and love. The faces are the same, but over the years the name has changed from Wooden Nickel to Pub Crawlers, then to Brass Nickels. We all missed Otis Morning, who was out sick. It was great that Bonnie traveled from Arizona to be with us. The first set started out with, "Big Bear Stomp." It was followed by, "Some of These Days," and "Hello Central, Give me Dr. Jazz." So many favorite songs, "The Blues My Naughty Sweetie Gives Me," and, "Do You Know What it Means to Miss New Orleans." "When My Dreamboat Comes In," started a very long umbrella parade. The set ended with, "Jelly Roll Blues."

After the break we came back to the second set which was shorter. Sorry I didn't catch all the tunes that were played as I was busy with membership. "Sweet Georgia Brown," is always a favorite and fun to dance to. Bonnie sang, "Bye Bye Black Bird." We had another umbrella parade to, "Bourbon Street Parade." The set ended with Buddy Bolden." The music was great, but please don't tell Dave that the jokes were really bad. We hope he works on his jokes for next time!
